cases in Anavatti & Jade villages

The Senior Surgeon with his docket No. 1572 P dated the 23rd June 03 forwards the explanation of the Amildar, which the translation of is to the following effect:—

"The Amildar reports that from the 7th to the 28th April 1903 he was engaged in Jamabandi work with the Deputy Commissioner & accompanied him on circuit. Mr. Krishnappa further says that the Patels of the respective villages send up such returns every day to the Rev department of the Taluk office which in turn transmits them to the Head office & that through the two villages (Anavatte & Jade) are the Head Quarters where the Police Jamedar, Daffedar, Sheikdar & the Patel reside, no report was received from them in the Revenue department & so the report could not be submitted to the Head office on the due date. As regards Anavatte the Patel is reported to have died at the very outset & it was therefore incumbent on the Sheikdar & the Police to have submitted such reports pending appointment of another Patel. If the occurrence of plague cases had even been mentioned in the Police diary, the matter would have

been

been
reported to the Head Office from the Revenue
department. The daily reports in question,
the Amildar reports, were received in his
office only on the 26th May last & on the
same day they were sent to the Head Office.
The Sheikdar & the Police have been called upon to explain the delay.
In conclusion, Mr. Krishnappa says that
the officers responsible for punctual & timely
submission of these returns, have been
directed to report the occurrence of
plague cases promptly.

Subd. The Explanation Shanoor
has been obtained from
the Dy Commissioner with his
own remarks if any. It may

The Dy Comr, while submitting a further report from the Amildar with his letter No. 60 dated 7th July 03 to the Sen.r Surgeon, stated that the Amildar as explained by him was engaged with the Huzur Jamabandy officer from the 7th to 29th April 03, that the Sheikdar of Annavati failed to submit the daily plague reports even though he was directed to do so on the 7th May 03 by the Amildar who had gone to Annavatti and that the Sheikdar has already been fined half a month's pay for the omission. The Dy Comr further stated that the fault appeared to rest on the village & Taluk officials and that the Amildar was not altogether unmindful of his duty.

He now requests that considering the circumstances the matter may be allowed to drop.

From the Deputy Commissioner, Hassan District, To the Chief Secretary to the Government of Mysore, No. 351, dated Haşsan, 2nd October 1890.

I have the honor to foward herewith for information of the Dewan a file of Vernacular papers ending with Police Assistant Commissioner's Yadi No. 2660, dated 6th September 1890, on the subject of form of communication between himself and the Amildar. The Police Assistant Commissioner explains that addressing *Hukums* is in accordance with the Circular No. 2618—134, dated 21st March 1887, of Inspector General of Police. I submit copy of it.

No. 11640—315, DATED 13TH JANUARY 1891.

ORDER.—The Dewan's time is too valuable to be wasted in wading through a file of correspondence for finding out the precise point on which a District Officer asks for the orders of Government. A glance over the file in this case shows that the correspondents are the Officiating Police Assistant Commissioner and the Officiating Deputy Amildar. There is no Amildar in the case as made out in the Deputy Commissioner's letter.

2. In laying subjects before the Government, Deputy Commissioners should, as far as possible, make the subjects complete and ready for immediate decision. Where reference must be made to other Officers (as to the Inspector General of Police in this case), this reference should be made by Deputy Commissioner before sending up the case. The letters should be complete in themselves and independent of enclosures, if these can conveniently be avoided. Enclosures may be forwarded, but merely for possible reference.

3. In accordance with these instructions, the Deputy Commissioner will be good enough, in the case under reference, to place himself in communication with the Inspector General of Police in the first instance, and then, if necessary, address Government, stating clearly the form of correspondence adopted, the occasion on which it was adopted, the objections taken to it, the reasons adduced in support of it, the form which is suggested by the objector, the respect in which the standing orders do not cover the individual case which has arisen, and the Deputy Commissioner's own views and recommendation.

Sir,

With reference to your docket No.132/P dated 18th July 1903 returning the explanations of the Amidar of the Sorab Taluk for resubmission with any opinion, I have the honor to state that no further enquiry in the matter seems to be necessary, as my previous letters fully state the circumstances of the case and the Amildar's explanations speak for themselves. I had stated in my letter of the 16th June 1903, that the Amildar's explanation was hardly satisfactory as he tried to throw the blame on his subordinates. On receiving further representation from the Amildar I informed you in my letter No.60 of 9th July 1903 that the fault appeared chiefly to ~~be~~ lie with the village and Taluk officials and that the Amildar was not altogether unmindful of his duty. Under the circumstances, if you see no objection, the matter may be allowed to rest here.

The enclosures received with the above are herewith returned.

Sir,

In continuation of this office letter No.2527 dated 16th June 1903, forwarding the explanation of the Amildar of Sorab for not submitting the Plague returns in time, I have the honor to forward herewith a further report No.7 of the 4th Instant, from the Amildar. It will be seen from the explanation that the Amildar was engaged with the Huzur Jamabandi Officer from the 7th to 29th April 1903, and that when he went to Annavatti on other duty on the 7th May 1903 he learnt that daily Plague reports were not being sent, that he directed the Sheikdar to submit the reports punctually, that as no reports were received either from the Sheikdar or the Patel even by the 19th May, he sent orders both to the Sheikdar and Police Jamadar on the subject. There upon the Sheikdar's report dated 22nd May 1903, was received in the Taluk office on the 26th idem and was submitted to this office the same day.

2. The fault appears to be chiefly on the part of the village and Taluk officials and the Sheikdar has already been fined half a month's pay. The Amildar was not altogether unmindful of his duty, but he should have taken prompt steps to rectify the mistake.
